

Beacon House

**Transforming
Lives, One Day
at a Time**
Resident Testimonials:

“ The Beacon House has provided a place for me to completely change my life. An opportunity to finally get and stay sober.
– Jason

“ Because of the Beacon House, I am working a solid program of recovery and moving towards being a good father, brother, and son.
– Matt

“ I have gained the foundation and knowledge needed to stay sober. I have gained friends and the ability to stand on my own two feet.
– S.J.

“ I have gained some of the greatest friendships that I know are going to last. I have also gained the longest period of sobriety in my life.
– E.W.

About the Beacon House

Help, Hope, & Health with Heart

MISSION

The Beacon House provides a positive, safe, and accountable environment for men to overcome alcohol and drug addiction and learn to live a productive life.

Recovery is a lifelong process, and Beacon House provides the structure, accountability, and safe environment individuals need to rebuild their lives during the first crucial year of sobriety. Beacon House is home to fifty

“The Beacon House has given me the tools to become a brand new man. I am truly grateful!” – Andrew P.

men who are in recovery for substance use disorder, and we serve over hundred men and their families each year. Together, we create a plan for each resident that includes support, education, and continuing outpatient treatment. Our unique blend of housing, recovery support services, and skilled staff help men avoid addiction setbacks and move toward stable employment and healthy and fulfilling lives.
